Dried Fruits

Dried Fruit

Dried Fruits

Full of fiber and beneficial, energy-boosting fats,
Rich in manganese and iron for a stronger body.
Perfect for cakes, pastries, or mixing with nuts.
With dark chocolate? A true love affair!
Both delicious, healthy, and special—
This isn't just a snack, it's a tropical experience!

Dried Damask Rose

Dried Damask Rose

The characteristics of the vegetable (produce) products, Damask rosebuds, and Silva herbal teas include the use of high-quality and choice vegetables and fruits. A noteworthy point is the complete absence of any additives, sugar, colorants, flavorings, or even preservatives in the products, which results in the company's very high quality and naturalness

dry ice cream

In the amazing world of nutrition and health, FreezeDryerFrizTame is a revolution in flavor and nutrition. Using freeze-dry technology, this product is precisely and scientifically dried to preserve all its antioxidant properties, vitamin C, and polyphenols. These valuable compounds, along with natural fiber, help strengthen the immune system: muscle:, reduce inflammation: fire:, and improve digestive function.
